

# The Real Game: Next Generation

## Bringing Careers to life for KS3!

A re-vamped, fun and highly interactive half day session for Year 7/8s that engages them in considering their priorities for the future. Students are faced with some harsh realities as well as helping them consider what's possible.

- Stimulates careers researching
- Explores lifestyle choices
- Engages students in simple financial calculations based on real life needs
- Tailored to schools' cohort needs (e.g. SEN)
- Suitable for collapsed school days
- Integrated into School's Careers Education programme
- Ideal introduction to Careers and option choices for younger ages
- Promotes students' engagement with parents
- Delivered by a team of Career professionals

The Real Game – Next Generation forms part of the range of services offered to Schools by SGS Schools Careers Service
