## Summary

You may be set on going into the trade industry but unsure which trade you would like to learn. With so many trades to choose from you may be having a difficult time pinpointing which to specialise in. Alternatively, you could just want to learn some DIY skills to save costs when doing tasks around the house. Either way our Bricklaying Taster course could be just what you are looking for.

This six-week course will give you an introduction and insight into a new trade. You will learn to:

- Trowel skills, setting out and levelling
- Building a brick corner and joint finishes
- Building a block corner
- Building to a line
- Solid walling
- Cavity Walls

## Enrol online

## How will I learn?

Our dedicated construction department offer a hands-on learning environment, allowing learners to engage and develop skills within a construction site style setting. All courses are delivered by passionate and dedicated staff with a qualified trade background. All the material and equipment you will use matches the tools available on construction sites.

This course is located at 2 of our Campus'. Our Filton campus, which is located in South Gloucestershire and is easily accessible from the city of Bristol by train (Bristol Parkway / Bristol Abbey Wood) and bus. Also our Stroud campus which is in the centre of Gloucestershire. The campus is moments away from Stroud train station and easily accessible by bus.

## Entry Requirements

This course has no entry requirements, we just ask you have a passion for the subject and are ready to learn new skills.

## Additional Information
