Summary

The DIY Home Repair course can enable you to save money on common repairs for which it would be expensive to pay someone to fix and enable them to take preventative action before problems such as leaks or breaks become serious and expensive.

Who is the course for?

- Anyone looking to extend a very basic DIY knowledge in order to complete common DIY repairs and maintenance tasks at home.
- People looking to include handyman services as part of other trade offerings or as a business.
- Individuals living on their own and looking to maintain or acquire DIY independence.
- Landlords and property developers looking to save money. Allowing you to respond faster to faults and breakages.

What is covered:

- Basic Home Repair Skills
- Basic Tool Knowledge
- Domestic Plumbing
- Domestic Electrical
- Tap and General Bathroom Repairs
- Unblocking sinks and drains
- Doors and Windows
- DIY Decorating and Upgrading 8 weeks 1 evening a week 6-9

How will I learn?

Enrol online

Our dedicated construction department offer a hands-on learning environment, allowing learners to engage and develop skills within a construction site style setting. All courses are delivered by passionate and dedicated staff with a qualified trade background. All the material and equipment you will use matches the tools available on construction sites.

This course is offered at 2 of our Campus'. Our Filton campus, which is located in South Gloucestershire and is easily accessible from the city of Bristol by train (Bristol Parkway / Bristol Abbey Wood) and bus. Also our Stroud campus which is in the centre of Gloucestershire. The campus is moments away from Stroud train station and easily accessible by bus.

Entry Requirements

This course has no entry requirements, we just ask you have a passion for the subject and are ready to learn new skills.
