Summary

Explore your inner creativity by experimenting with traditional and alternative materials, tools, surfaces and techniques to engage the senses. Rein-vent and expand your visual language through mark making and push your ideas and stimulate the imagination. The emphasis of this course will be on learning through the process of drawing in order to allow spontaneity to grow. We will look at other artists for inspiration, exercises will be given and you will have the opportunity to share your work online to the group for support and feedback.

This course is suitable for all levels of experience.

Topics include:

- Experimental drawing with wet and dry materials
- Sketchbooks
- Gathering Resources
- Self Discovery
- Artist References

Your tutor Annie works with a wide range of materials, surfaces and techniques as a contemporary artist and art lecturer. Annie's teaching style and professional practice is centred around liberating people through art. Her degrees in fine art and teaching explored mediums such as 2D mixed media arts, sound, performance, and immersive installation' giving plenty of scope to stretch and challenge the boundaries of drawing.
