## Summary

This course will help you build or enhance your IT skills and also offer another opportunity for you to practice your written and spoken English. You will learn vocabulary relevant to IT and the workplace.

This is a mixed level group so you will work at your own pace and the tutor will support you based on your current knowledge and level in both IT and English.

## How will I learn?

The tutor will give you continuous feedback and support on your oral and written work as well as suggestions for how you can improve.

There will be an opportunity for you to gain more from the course by committing to study outside of the class and your tutor will keep a record of your development and discuss this with you.

## Entry Requirements

There are no requirements for entry and there is no exam as part of this course.
