Summary

The course structure is designed to help students build on and develop their knowledge and skills and to design and make their own jewellery. Students choose their own projects, with the tutor introducing new techniques based on the individual and group needs. Students can enrol term by term with many students returning for 3 or more years.

How will I learn?

Students will develop their own designs and jewellery pieces with tutor guidance. The tutor will teach skills individually and in groups to enable students to develop skills according to their own design requirements. Examples of this could be surface pattern or metal forming techniques, or cold connections.

There will be the opportunity to explore more complex techniques, such as claw settings, press forming, casting and enamelling techniques. Incorporating non-traditional materials is also encouraged.

Entry Requirements

Students are expected to complete Beginners 1 and 2 or equivalent before joining the Intermediate course.

If you have any questions regarding entry requirements please email art@sgscol.ac.uk before completing an online application.
