Summary

This Level 2 Diploma in Public Services has been specifically designed to give individuals a broad understanding of the uniformed public services industry. This year-long course has been tailored to give learners the best opportunity to progress onto our Level 3 Public Services programmes, whilst also improving their English and maths qualifications. This is a full-time course.

The Level 2 programme is made up of units, that are a mix of theory and practical work.

This course has a total of 9 units that will cover some of the units below:

- Leadership and Teamwork
- Following a Public Services Routine
- Public Service Physical Fitness
- Adventurous Activities

How do the Sports Academies work alongside this course?

Learners are able to access Sports Academies whilst studying at SGS College on a full-time course. Your academic studies and academy training work as a partnership, and as such, are never timetabled at the same time. This allows you to continue your development within your selected sporting discipline, whilst studying in an academic area that interests you. For example, a learner may have lectures on a Monday morning and then Academy training at WISE on a Monday afternoon.

This Level 2 course is based at our dynamic and exciting WISE Campus, located within easy reach of the city of Bristol and moments away from Bristol Parkway and Bristol Abbey Wood train stations.
