## Summary

Whether you are looking for a career in the environment and Land based sector or have a personal interest in the impact of climate change, this qualification is designed to provide learners with an introduction to the principles of climate change and environmental awareness.

It will ensure learners understand the nature of climate change and the role they can play in helping to reduce carbon emissions. Through achieving the qualification, learners will gain the knowledge and understanding to act as drivers of positive change within the workplace and at home.

Units include:

- Understand climate change, sustainability and environmental protection
- Understand industry and the environment
- Understand resource efficiency and waste management

## How will I learn?

This is an online qualification providing a flexible approach to learning. The qualification must be completed within 12 weeks. After an initial online induction, resources will be provided to enable learners to complete the units independently. Tutor support will be available through tutorial and constructive feedback on work submitted.

You will be assessed throughout the course using a variety of methods including:

- Assignments

## Enrol online

- Portfolio of evidence
- Oral questioning

Online courses enable you to set your own learning pace with the added flexibility of working to your own schedule. No classroom attendance is required, giving you full control of your learning whilst still having access to our experienced teaching and learning staff as required.

## Additional Information

### With you every step of the way!

- Expert digital team on hand to resolve IT issues
- Access to free online community for those suffering with adverse mental health, 24 hours a day
- Enjoy incredible discounts while you study with your NUS/Totum student card

New to online learning? Require additional support? Let us help you with each step you take.

### DEPARTMENT CONTACT

For more information about this course please email [animal@sgscol.ac.uk](mailto:animal@sgscol.ac.uk).

### COURSE FEES

Please be aware that some courses have fees that are payable on enrolment. More information on if this course has a fee can be found in the Availability section below.

If you require financial support including payment plans, bursaries and advanced learner loans please visit the [Money Management Service](#) section of the website.

For more information on fees please view our [Fees, Charges and Refunds Policy](#) and our [Applications, Admissions and Enrolment Policy and Procedures](#).

### ONLINE ENROLMENT

This course offers simpler and safer online enrolment requests, which means in a matter of minutes you can submit an enrolment request to us. However please be aware that upon submitting your enrolment form you are not guaranteed to be accepted. A number of our courses require assessments, qualification checks or simply a conversation with you before we can confirm your enrolment.

Within 24 hours of enrolment submission you will receive an automated email notification with information on what happens next. Please add [onlineservices@sgscol.ac.uk](mailto:onlineservices@sgscol.ac.uk) to your safe sender list. Most email providers allow you to do this within settings/options. For full instructions simply use your chosen search engine to find instructions on how to make emails as safe.
