Summary

This is a one-year course for candidates who work or want to work as a plasterer in the construction sector.

You will learn, develop and practice the skills required for employment and/or career progression in plastering.

You will cover the following skills:

- Applying plastering materials to interiors
- Fixing dry lining and plasterboards to interiors
- Laying sand and cement screeds
- Applying plastering materials to external backgrounds
- Producing reverse moulds for fibrous work
- Casting and fixing for fibrous plasterwork

How will I learn?

Our dedicated construction department offer a hands-on learning environment, allowing learners to engage and develop skills within a construction site style setting. All courses are delivered by passionate and dedicated staff with a qualified trade background. All the material and equipment you will use matches the tools available on construction sites.

This course is based at our Filton campus, located in South Gloucestershire which is easily accessible from the city of Bristol by train (Bristol Parkway / Bristol Abbey Wood) and bus.

Enrol online

Entry Requirements

As well as having a keen interest in the subject area, learners will need to possess GCSE grade 3 in both English and Maths. You will also need to be committed, punctual and demonstrate an enthusiasm for learning.

While also taking on new ideas and skills to help you reach your full potential within the trade. Ideally, learners will be able to demonstrate knowledge of the trade and complete a skills assessment and details about this will be provided.

If you successfully gain a place on this exciting construction course you will be expected to wear safety boots on site at all times, these must have steel toe caps and meet regulations.

If you have any questions regarding entry requirements please email construction@sgscol.ac.uk before completing an online application.
