

Aspiring College Teachers Scheme

SGS College - Class ACTs Paid Teacher Training Scheme

Are you:

- Seeking a career in teaching?
- Either a graduate or an experienced industry professional?
- Keen to earn whilst you learn?
- Looking to develop your teaching skills at an inspiring Further Education College
- Serious about your future in a Microsoft Showcase College?

Then this exciting opportunity could be for you!

SGS College is now inviting applications for its new Class ACT paid teacher training programme, with a starting salary of £23,922 or higher, with relevant industry experience or qualifications.

You will receive extensive support from a dedicated mentor who will guide you through your teaching qualification in an inclusive, supportive and nurturing environment.

We are seeking candidates who are passionate about sharing their knowledge and skills with the future generation. You should have enthusiasm, and empathy to make a difference to the lives of others.

Applications are welcome from those interested in teaching the following subject specialisms:

- Computing and Information Technology
- Maths
- English
- Special Educational needs
- Construction
- Health & Social Care

A trainee will receive an array of benefits including:

- Specialist Support to achieve the L5 Diploma in Education & Training
- Regular coaching and mentoring sessions
- Opportunities to shadow experienced professionals
- Reduced timetable to enable you to learn and develop

Applications are encouraged from candidates who are:

- Suitably qualified or experienced people already in employment, seeking a career change.
- Post-graduates
- Graduates
