## 4. DUTIES

- 4.1 Corporation Members are in the position of charity trustees and as such owe a fiduciary duty to the College. This means that they should show it the highest loyalty and act in good faith in its best interests. Each Corporation Member should act honestly, diligently and (subject to the provisions appearing in paragraph 10 of this Code relating to collective responsibility) independently. The actions of Corporation Members should promote and protect the good reputation of the College and the trust and confidence of those with whom it deals.
- 4.2 Decisions taken by Corporation Members at meetings of the Corporation and its committees must not be for any improper purpose or personal motive. Decisions taken must always be for the benefit of the College, its students and staff and other users of the College and must be taken with a view to safeguarding public funds. Accordingly, Corporation Members must not be bound in their speaking and voting by mandates given to them by other bodies or persons (including the bodies that elected them).
- 4.3 Corporation Members must observe the provisions of the College's Instrument and Articles of Government and in particular the duty to give immediate notice to the Clerk should they become disqualified from continuing to hold office and also the responsibilities given to the Corporation by the College's Articles of Government. Those responsibilities, including a list of "*reserved*" responsibilities which are so important that they must not be delegated, are set out in **Schedule 4**.
- 4.4 Corporation Members should comply with the Corporation Standing Orders and terms of reference of its committees to ensure that the Corporation conducts itself in an orderly, fair, open and transparent manner. Corporation Members must keep those Standing Orders and terms of reference under periodic review.
- 4.5 Corporation Members should also have regard to the different, but complementary, responsibilities given to the Group CEO & Executive Principal, as the College's Chief Executive and Accounting Officer, and the College Principal. The responsibilities given to the Group CEO & Executive Principal and College Principal by the College's Articles of Government are set out in **Schedule 5**. Whereas it is the Corporation's function to decide strategic policy and overall direction and to monitor the performance of the

Group CEO & Executive Principal, College Principal and any other senior postholders, it is the Group CEO & Executive Principal's and College Principal's role to implement the Corporation's decisions, and to manage the College's affairs within the budgets and framework fixed by the Corporation. Corporation Members should work together so that the Corporation and the Group CEO & Executive Principal, as Chief Executive, and College Principal perform their respective roles effectively.

- 4.6 Corporation Members should refer to the Clerk for advice relating to the governance functions which are set out in **Schedule 5** and have regard to the Clerk's independent advisory role.

## 5. **STATUTORY ACCOUNTABILITY**

- 5.1 Corporation Members are collectively responsible for observing the duties set out in the Conditions of Funding Agreement which the College has entered into with the ESFA as a condition of receiving public funds. A brief summary of the ESFA's funding framework is set out in **Schedule 6**.
- 5.2 Although the ESFA is the main provider of funds to the College, Corporation Members should note that they are also responsible for the proper use of income derived from other sources, such as the Office for Students (OfS) and for the control and monitoring of expenditure of such income, in order to meet the requirements of the relevant funding body and public audit. Where funding is received directly from OfS the College will have a funding agreement with OfS, as set out in the OfS's terms and conditions of funding , which confirms the basis on which such funding is provided. Where OfS funding is received indirectly via a collaboration with an OfS funded institution such funding will be subject to obligations contained in the memorandum of co-operation between the College and that institution.
- 5.3 As accounting officer for the ESFA, its Chief Executive is directly responsible and accountable to Parliament for ensuring that the uses to which the ESFA puts its funds are consistent with the purposes for which the funds were given and comply with the conditions attached to them. The Group CEO & Executive Principal, as accounting officer for the College, is also directly responsible and accountable to Parliament, through the Committee of Public Accounts, for the effective stewardship by the College of public funds. The Group CEO & Executive Principal may be required to appear before the Committee of Public Accounts, alongside the ESFA's Chief Executive, to

give an account of the use made by the College of such funds. The Corporation is accountable to Parliament for ensuring the financial health of the College, and to the Courts for ensuring that the College is conducted in accordance with the Education Acts and the general law.

## 6. **PUBLIC SERVICE VALUES**

Although further education corporations are classified as part of the private not for profit sector for government accounting purposes, they remain public bodies in many legal contexts. In particular, public service values are at the heart of the further education service. High standards of personal and corporate conduct, based on the principles set out in **Schedule 2** of this Code, and the recognition that students and other users of the College's services come first, are a requirement of being a Corporation Member and should underpin all decisions taken by the Corporation.

## 7. **SKILL, CARE AND DILIGENCE**

A Corporation Member should in all their work for the College exercise such skill as they possess and such care and diligence as would be expected from a reasonable person in the circumstances. This will be particularly relevant when Corporation Members act as agents of the College, e.g. when functions are delegated to a committee of the Corporation or to the Chair. Corporation Members should be careful to act within the terms of reference of any committees on which they serve.

## 8. **POWERS**

Corporation Members are responsible for taking decisions which are within the powers given to the Corporation by Parliament under sections 18 and 19 of the Further and Higher Education Act 1992, as amended. A summary of those powers is set out in **Schedule 7**. If a Corporation Member thinks that the Corporation is likely to exceed its powers by taking a particular decision, they should immediately refer the matter to the Clerk for advice.

## 9. **CONFLICTS OF INTEREST**

- 9.1 Like other persons who owe a fiduciary duty, Corporation Members should seek to avoid putting themselves in a position where there is a conflict (actual or potential) between their personal interests and their duties to the Corporation. They should not allow any conflict of interest to arise which might interfere with the exercise of their independent judgement.

- 9.2 Corporation Members are reminded that under the College's Instrument of Government they must not acquire or hold any interest in any property held or used for the purposes of the College or receive any remuneration for their services (save as a member of the College's staff) save where this would be permitted under charity law and where necessary with the consent of the Charity Commission.
- 9.3 Corporation Members are reminded that under the College's Instrument of Government and the general law they must disclose to the Corporation any direct or indirect financial interest they have, or may have, in the supply of work to the College or the supply of goods for the purposes of the College, or in any contract or proposed contract concerning the College, or in any other matter relating to the College or any other interest of a type specified by the Corporation in any matter relating to the College, or any duty which is material and which conflicts or may conflict with the interests of the Corporation.
- 9.4 If an interest of any kind (including an interest of a spouse, partner or business associate of a Corporation Member or of a close relative of the Corporation Member or their spouse, partner or business associate) is likely or would, if publicly known, be perceived as being likely to interfere with the exercise of a Corporation Member's independent judgement, then:-
- 9.4.1 the interest, financial or otherwise, should be reported to the Clerk;
  - 9.4.2 the nature and extent of the interest should be fully disclosed to the Corporation before the matter giving rise to the interest is considered;
  - 9.4.3 if the Corporation Member concerned is present at a meeting of the Corporation, or any of its committees, at which such supply, contract or other matter constituting the interest is to be considered, they should:-
    - 9.4.3.1 not take part in the consideration or vote on any question with respect to it and shall not be counted in the quorum for that meeting; and
    - 9.4.3.2 withdraw from that Corporation or committee meeting where required to do so by a majority of the Members of the Corporation or committee present at the meeting.

- 9.5 For the purposes of clause 9.4 “close relative” includes but is not limited to a father, mother, brother, sister, child, grandchild and step-father/mother/brother/sister/child.
- 9.6 Where it is proposed that the Corporation should grant a member a financial interest (such as a contract for the supply of goods or services) the Corporation must observe the requirements of the Charities Act 2011. The Corporation may wish to take legal advice before granting such an interest to a member.
- 9.7 Corporation Members must not receive gifts, hospitality or benefits of any kind from a third party which might be in breach of the Bribery Act 2010 and the College’s anti-bribery policy or be seen to compromise their personal judgement or integrity. Any offer or receipt of such gifts, hospitality or benefits should immediately be reported to the Clerk.
- 9.8 The Clerk will maintain a Register of Corporation Members’ Interests which will be open for public inspection. Corporation Members must disclose routinely to the Corporation all business interests, financial or otherwise, which they or persons associated with them may have, and the Clerk will enter such interests on the Register. Corporation Members must give sufficient details to allow the nature of the interests to be understood by enquirers. Corporation Members should inform the Clerk whenever their circumstances change and interests are acquired or lost. In deciding whether an interest should be disclosed, Corporation Members should have regard to the meaning given to “interest” in paragraphs 9.2 to 9.4 of this Code.

## **10. COLLECTIVE RESPONSIBILITY**

- 10.1 The Corporation operates by Corporation Members taking majority decisions in a corporate manner at quorate meetings, including meetings held by telephone, via a virtual platform and by alternative methods such as written resolutions, in all cases only if so provided for in the Instrument and Articles. Therefore, a decision of the Corporation, even when it is not unanimous, is a decision taken by the Corporation Members collectively and each individual Corporation Member has a duty to stand by it, whether or not he or she was present at the meeting of the Corporation when the decision was taken.
- 10.2 If a Corporation Member disagrees with a decision taken by the Corporation, their first duty is to have any disagreement discussed and minuted. If the Corporation Member strongly disagrees, they should consult the Chair and, if

necessary, then raise the matter with the Corporation when it next meets. If no meeting is scheduled, the Corporation Member should refer to the power of the Chair or of any five Corporation Members under the College's Instrument of Government to call a special meeting and, if appropriate, exercise it, requesting the Clerk to circulate the Corporation Member's views in advance to the other Corporation Members. Alternatively, as a final resort, the Corporation Member may decide to offer their resignation from office, after consulting the Chair.

## **11. OPENNESS AND CONFIDENTIALITY**

- 11.1 Because of the Corporation's public accountability and the importance of conducting its business openly and transparently, Corporation Members should ensure that, as a general principle, students and staff of the College have free access to information about the proceedings of the Corporation. Accordingly, agendas, minutes and other papers relating to meetings of the Corporation are normally available for public inspection when they have been approved for publication by the Chair.
- 11.2 There will be occasions when the record of discussions and decisions will not be made available for public inspection; e.g. when the Corporation considers sensitive issues or named individuals and for other good reasons. Such excluded items will be circulated in confidence to Corporation Members, save those Members who have a conflicting interest in the particular sensitive matter. Some confidential items are likely to be of a sensitive nature for a certain period of time only (for example information relating to a proposed commercial transaction or collaboration with another institution). The Corporation should specify how long such items should be treated as confidential or, if this is not possible, such items should be regularly reviewed to consider whether the confidential status should be removed or whether the public interest in disclosure outweighs that confidential status and the item made available for public inspection. The Corporation Members must also consider the personal data that is contained within the excluded items in accordance with the Corporation's obligations under the UK GDPR and the Data Protection Act 2018 ("Data Protection Laws") and whether or not disclosure of that personal data would be in breach of the Data Protection Laws or the rights and freedoms of the individual(s) in question. When considering such issues the Corporation Members must also consider the College's publication scheme issued under the Freedom of Information Act 2000, policy on Access to Corporation Information and Environmental

Information Regulations 2004. Nothing in this section overrides the College's obligation to disclose in response to a request received under these information law regimes (unless an appropriate exemption applies in each case).

- 11.3 Staff and student Corporation Members have, however, no right of access to minutes dealing with matters in respect of which they are required to withdraw from meetings under the Standing Orders for the Corporation and its committees.
- 11.4 It is important that the Corporation and its committees have full and frank discussions in order to take decisions collectively. To do so, there must be trust between Corporation Members with a shared corporate responsibility for decisions. Corporation Members should keep confidential any matter which, by reason of its nature, the Chair or members of any committee of the Corporation are satisfied should be dealt with on a confidential basis.
- 11.5 Corporation Members should not make statements to the press or media or at any public meeting relating to the proceedings of the Corporation or its committees without first having obtained the approval of the Chair or, in their absence, the Vice-Chair. It is unethical for Corporation Members publicly to criticise, canvass or reveal the views of other Corporation Members which have been expressed at meetings of the Corporation or its committees.

## **12. COMPLAINTS**

- 12.1 In order to ensure that the affairs of the College are conducted in an open and transparent manner and that the College is accountable for its use of public funds but also to its employees, its students and the community it serves, it is important for there to be appropriate complaints procedures in place and for these to be well publicised. Corporation Members are reminded of their specific responsibility under the Articles of Government to make rules specifying the procedures in accordance with which employees may seek redress of any grievances relating to their employment, of the importance of having formal complaints procedures in place to handle issues raised by students, former students and third parties and of the legal requirement to have a whistleblowing procedure in place.
- 12.2 Under the ESFA's Conditions of Funding Agreement with Colleges clause 15.3), students, employers and other third parties have a right to make a complaint to the ESFA in respect of the College or of any of its decisions, and this right is

referred to in the College's relevant complaints procedures. Copies of these procedures can be obtained from the Clerk. Corporation Members in particular are reminded that under the ESFA's procedure for dealing with complaints about post 16 education and training provision funded by the ESFA (November 2018)<sup>3</sup> the ESFA can investigate complaints about:

- 12.2.1 quality, management or experience of education and training;
- 12.2.2 undue delay or non-compliance with published complaints procedures;
- 12.2.3 poor administration;
- 12.2.4 the quality of assessments;
- 12.2.5 equality and diversity issues (except where there is a more appropriate mechanism for dealing with the matter through the courts or tribunals or other organisations);
- 12.2.6 advanced learner loans;
- 12.2.7 apprenticeship providers from employers; and
- 12.2.8 from employers, parents other third parties on behalf of apprentice(s).

12.3 The ESFA will not investigate complaints about:

- 12.3.1 issues that are more than 12 months old (except for exceptional cases related to advanced learner loans);
- 12.3.2 examination results, grades, marks, assessment outcomes or curriculum content;
- 12.3.3 individual employment issues;
- 12.3.4 governor or other voluntary employment issues;
- 12.3.5 contractual or commercial disputes, or arrangements;
- 12.3.6 disputes between an employer and a provider in relation to the apprenticeship levy;
- 12.3.7 matters which are the subject of legal action or matters that are better investigated by the police;
- 12.3.8 the cancellation or reimbursement of advanced learner loans (which should be referred to the student loan company);
- 12.3.9 claims for compensation, a refund of fees or costs incurred when a learner has to transfer to another provider;
- 12.3.10 issues classified as serial; or
- 12.3.11 allegations of fraud, financial irregularity, whistleblowing and allegations of incentives and inducements (which should be directed to the allegations team); and

### 13. **ATTENDANCE AT MEETINGS**

13.1 A high level of attendance at meetings of the Corporation is expected so that Corporation Members can perform their functions properly.

### 14. **GOVERNANCE DEVELOPMENT**

14.1 The Corporation shall seek to ensure that all Corporation Members are appointed on merit, in accordance with an open selection procedure carried out by the Corporation's Search Committee, and are drawn widely from the community which the College serves so as to be representative of that community. The Corporation should have regard to the provisions relating to the membership of the Corporation in the College's Instrument of Government, the need to combat discrimination and to promote equality, and the need to make available a range of necessary skills and experience to ensure that the Corporation carries out its functions under the College's Articles of Government.

14.2 Corporation Members must obtain a thorough grounding in their duties and responsibilities by participating in the College's governance induction and training programmes, including regular refresher workshops.

14.3 In order to promote more effective governance, Corporation Members will carry out an annual review of the performance by the Corporation of its duties and responsibilities, (including a review of their own performance) as part of a continuing and critical process of self-evaluation.

The revised Schedule 4 FHEA 1992 contains no statement of the responsibilities of the Chief Executive, as the Principal may now be known, so a corporation may delegate any responsibility it thinks fit to the Principal, subject to it retaining responsibility for those reserved matters shown with a double asterix. The Chief Executive and Accounting Officer of the institution in the Instrument and Articles refers to the Group CEO & Executive Principal.

The position is set out as required by the 2008 Articles.
