Childcare funding will only be released if the students attendance is at 90% or above and their behaviour meets the College code of conduct at the point of payment detailed on the enclosed payment schedule. No payments will be made for any periods that do not meet these guidelines and it will be the students responsibility to make payment to their provider.

If the student withdraws at any point during the academic year then Childcare funding will stop and the student will be liable to pay any outstanding amounts.

We have made the student aware that our funding is unlikely to cover all their costs and that they may still have some childcare fees left to pay. Please discuss this with the student directly.
