Higher Education Access & Participation Policy 2022-2024

1. Policy Intent

- 1.1. This policy is intended to support South Gloucestershire and Stroud (SGS) College's commitments to the Office for Students (OFS) in our Access and Participation Plan (APP) for higher education (HE) students. The current APP will finish at the end of the 2023-24 academic year and our new OFS approved plan will take effect from the start of August 2024 and will run for 4 years until the end of the academic year 2027-28. All SGS' APP plans and summary of our most recent plan is published on the OFS website [Access and participation plans - Office for students](#) and our current plan and summary is also published on our website:

2. Scope

- 2.1. The College's Access and Participation Plan sets out in detail how we will improve equality of opportunity for underrepresented groups to access, succeed in, and progress from our higher education courses.
- 2.2. Analysis of data has identified that there are some underrepresented groups of students who are less likely to start a higher education course at SGS and other groups who are less likely to complete their studies. Our Access and Participation Plan is focussed on supporting the following groups:

Student groups that are less likely to access higher education courses at SGS:

- Students living in more deprived areas (using the Index of Multiple Deprivation which measures relative deprivation in local areas).

Student groups that are less likely to continue, complete and achieve their studies at SGS:

- Students living in more deprived areas (using the Index of Multiple Deprivation which measures relative deprivation in local areas).
- Students with disabilities or learning difficulties.
- Students from minority ethnic backgrounds
- Students who are over 21 years old when starting their course.

3. Procedures - Implementation of the Access and Participation Policy

- 3.1. SGS is committed to ensuring all **information** provided for both prospective and current students is accurate, accessible and clearly written for the student to understand.
- 3.2. **Recruitment and collaborative events** are organised and held regularly. The College offers a variety of HE open day and other events to prospective students. The Student Experience Team engage with internal SGS students, local schools and communities to promote awareness of higher education courses.

- 3.2.1 The SGS Connect Partnership Scheme offers bespoke outreach activities to participating schools. SGS also works with primary and secondary schools to help promote self-esteem and raise aspiration as well as delivering general advice and guidance about higher education pathways.
 - 3.2.2 The College attends and hosts UCAS events to promote opportunities to year 12 and 13 students. SGS will also continue to work in partnership to deliver career events specifically aimed at year 12 and 13 pupils. These events will continue to include all subject sector areas targeted by the West of England Combined Authority (WECA) and directly involve employers.
 - 3.2.3 The College will continue to support collaborative initiatives with its Alliance partner, the University of Gloucestershire (UoG), to promote opportunities in the local area and work towards achieving the Partnership strategic objectives.
 - 3.2.4 The College will support two regional initiatives for the duration of the contracts (called Gloucestershire Aspiration Project formerly called Gloucestershire Reaching out Wider) and 'Future Quest'. Both are NCOP funded Widening Participation (WP) initiatives which target specific schools and wards with historically low participation rates.
- 3.3. **SGS' internal progression, pre-admission advice and guidance and admissions** procedures are designed to support students into appropriate higher education programmes.
- 3.3.1 The College offers progression and bridging activities to existing learners to promote positive destinations into HE from a wide range of subject and course types.
 - 3.3.2 The College's HE Admissions Co-ordinator manages the application process, arranges interviews, gives preapplication advice and guidance and provides support with UCAS applications, Student Finance applications, financial support and funding queries.
 - 3.3.3 The College offers courses with achievable and fair UCAS tariff for HE entry in order to encourage engagement from those with lower grades, mature applicants with relevant experience or applicants from non-standard entry routes.
 - 3.3.4 The College recognises and gives Accreditation to Prior Learning (APL) and, if appropriate, Accreditation to Prior Experiential Learning (APEL).
 - 3.3.5 The College commits to retain Tier 4 accreditation, making our study opportunities accessible for international students.

- 3.4 SGS provides **financial, study and skills support** for higher education students to help them successfully stay on programme and complete their studies with positive outcomes.
- 3.4.1 The College offers financial support to students from underrepresented groups, including bursaries, scholarships and support for students who are experiencing unexpected financial difficulties. Students are referred to the current Higher Education Fee and Bursary Policy and Higher Education Financial Assistance Policy for the financial support available.
- 3.4.2 The SGS Total Support Guide (TSG) seeks to provide students with a wraparound support service that provides support and interventions via the Learning Mentors, cross-college Learning Support and Student Wellbeing Services, Careers Services, English and Maths Extra, counselling and finance. HE students have access to the HE Disability Services team who can advise and monitor specific support needs and enable students by assisting with the development of the skills necessary to independent learning.
- 3.4.3 Student mentoring and skills support. Through the development of Level 6 programmes, SGS will structure a peer mentoring scheme which will provide students at this level with opportunities to support their employability. Additional study skills sessions are provided, on a group and/or a one-to-one basis, by our LibraryPlus and DSA funded study skills sessions are provided by the Study Skills Practitioner.
- 3.4.4 SGS supports students wishing to apply for Disabled Student Allowances (DSA) via our dedicated HE Disability Service Manager. Students can also apply for a one-off payment from the HE Financial Assistance Fund to help with the cost of the DSA report.
- 3.4.5 The HE Curriculum, Standards and Quality (CSQ) Team oversee the Extenuating Circumstances (EC) process for all HE students. The team liaises closely with the relevant Subject Area Leads, Programme Leads, tutors, HE and wider Support Services and individual students to provide extra support, make reasonable adjustments and/or apply acceptable concessions in certain cases.
- 3.4.6 The Higher Education Central Team will regularly monitor attendance and interventions will be made if attendance falls below 80%. Once identified as 'at risk', students will fall subject to the HE non-engagement process. Students are referred to the current HE Attendance and Engagement Policy for details of this process.

3.5 SGS is committed to providing a **flexible** and **accessible Higher Education curriculum** to provide choice for our students.

3.5.1 SGS will maintain a high percentage of courses that can be studied on a part-time and flexible basis. These routes enable access to study for those who have, for example, significant external commitments.

3.5.2 SGS commits to enabling students' flexibility in their HE studies and will support students wherever possible to:

- Transfer within SGS College from one course to another;
- Transfer mode of study e.g. move from full-time to part-time;
- Transfer to SGS College from another HE provider;
- Transfer from SGS College to another HE provider.
- Temporarily pause study for up to 1 academic year

3.5.3 SGS will continue to offer a mixture of qualifications at level 4 and above, including higher level short courses, Higher Nationals, Foundation Degrees, Level 6 'Top up' Years and Full First Degrees.

3.5.4 The College has recognised that a large majority of students have difficulty with examinations and has introduced alternative coursework-based assessments which allow for regular formative and summative assessments of varying types (e.g. presentations, written essays, group work etc).

4. Policy Implementation

4.1. The College wide Higher Education Team is responsible for implementation of the Higher Education Access and Participation Policy; including:

4.1.1 Vice Principal, Performance, Standards and Effectiveness

4.1.2 Director of HE

4.1.3 Head of HE Student Experience

4.2.4 Head of HE Admissions, Data and Insight

4.2.5 Head of HE Curriculum, Quality and Development

4.2.6 HE Co-ordinator

4.2.7 HE Admissions Co-ordinator

4.2.8 HE Disability Services Manager

4.2.9 HE Specialist Study Skills Mentor

4.2.10 HE Curriculum, Standards and Quality Team

4.2.11 HE Student Experience Team

4.2.12 HE Subject Area Leads

4.2.13 HE Programme Leads

4.2.14 Academic Tutors

Evaluation of the effectiveness of the Policy and the associated activities to support access and participation are monitored by the Access and Participation Group (APG). This group was formerly known as the Widening Participation and Retention Group (WPRG). The APG is made up of a panel of staff and students involved in HE at SGS and who meet regularly to assess the impact on students, to identify whether the targets and milestones in our published Access and Participation Plan are being met and to identify areas of good practice and to put in place interventions if necessary.

5. Enforcement

- 5.1. Students who receive financial support from SGS must be fully committed to completing their programme. If for any reason this does not occur, then the student may be required to repay any funds paid to them.
- 5.2. The College will terminate the award of financial support for any student who ceases to be an enrolled student of SGS, for whatever reason. Students may be required to repay any payment made within that term as a result of withdrawing.
- 5.3. Higher Education students are expected to engage positively with the College, its agents and employees. Students will at all times maintain regular contact with their tutors and commit to their studies through positive engagement and regular attendance. Students are referred to the Higher Education Student Code of Conduct for further information about expectations of student behaviour.
