## **1. Introduction**

- 1.1. South Gloucestershire and Stroud College (SGS) is committed to involving its Higher Education (HE) students in its strategic decision-making and operational management processes.
- 1.2. The College firmly believes that embracing student views and offering students an opportunity to have direct involvement in assessing and shaping their own learning experience will have a significant and effective impact on developing the College's quality improvement processes and increasing student success. The College also believes that students have key roles to play in self-assessment, self-improvement and policy-making procedures.
- 1.3. This HE Students as Partners Policy is intended to facilitate students to input, not only as customers of the College, but as co-producers of their educational experiences and outcomes, both individually and collectively, via the decision-making processes of the College.

## **2. Planned Aim**

- 2.1. The College and the Corporation are resolute in embracing student views and offering multiple, structured opportunities for HE students to have direct involvement in assessing and shaping their own learning experience and the Higher Education provision offered by the College.
- 2.2. All students, individually and collectively, are entitled to participate in the co-production of their College experience and the design of the provision we offer.
- 2.3. The HE Students as Partners Policy has a vital role to play within the Annual Review and Improvement Process and helps to validate our commitment to the idea, processes and practices of authentic self-regulation and evaluation
- 2.4. The College adheres to the regulatory framework of The Office For Students (OfS)<sup>1</sup> and actively promotes its four primary objectives: To ensure that all students, from all backgrounds, with the ability and desire to undertake higher education are supported to access, succeed in, and progress from, higher education; Receive a high quality academic experience; Are able to progress into employment or further study; Receive value for money.

## **3. Planned Objectives**

- 3.1. Student engagement requires individual students to be directly involved in shaping and evaluating their educational experience. This process depends on negotiation and dialogue with students. The SGS HE Students as Partners Policy, addresses how this dialogue will be fostered to generate sustained and continuous improvements to our Higher Education offer and delivery.

---

<sup>1</sup> OfS duties, functions and powers awarded by the Higher Education and Research Act 2017 (HERA)

## **4. Implementation (Mechanisms for Involvement)**

- 4.1. 'It is widely accepted that the views of students, individually and collectively, should inform quality systems with the purpose of improving the student educational experience both for current and future cohorts. Student involvement in quality can have a positive influence on the delivery and development of any aspect of the student educational experience, whether implemented by the higher education provider, a faculty, a department, or an individual member of staff.' *QAA UK Quality Code for Higher Education; Chapter B5 Student Engagement*
- 4.2. With this in mind the College has identified a student facing Head of Higher Education Student Recruitment and Experience to facilitate both student and College led involvement; this role will also collate evidence of involvement for the Corporation and publish annually a calendar of activities.
- 4.3. The SGS HE Students as Partners Policy also seeks to clarify and confirm that all members of staff have a duty to be responsive to the views of our students.

### **4.4. Student Led Involvement**

#### **4.4.1. HE Student Governor**

- 4.4.1.1. By virtue of the Corporation's Instrument of Government Section 2 (d).

At least one member who is a student at the institution and has been nominated and elected by their fellow students. All HE students are encouraged to apply for the role of HE Student Governor.

The HE Student Governor play a full part in the Board's proceedings, including the periodic review of the educational character, mission, values and strategic priorities of the College and the oversight of its activities.

#### **4.4.2. Student Parliament and Council**

- 4.4.2.1. At the inception of South Gloucestershire and Stroud College the Corporation was pleased to approve the Student Union constitution.
- 4.4.2.2. The Student Council and Parliament conduct business under the Authority of the Student Union constitution.
- 4.4.2.3. Meetings are also convened with the Principal, Chair of the Corporation and Student Union to obtain views on the Policy of the College, the determination and periodic review of the educational character and Mission of the College and the oversight of its activities.

## **5. Student Representative Meetings: 'Student Voice'**

- 5.1.1. Each study programme will convene a HE Student View Focus Group known as 'Student Academic Representative Meeting' three times every academic year. These meetings will be chaired by the HE Curriculum, Standards & Quality Team or a member of the HE Management Team and operate via the approved agenda which will include a review of NSS surveys and External Examiner Reports where appropriate. The first and final meeting are face to face whilst the second meeting is held online to ensure students that all Academic Representatives can engage with

this digital meeting. Feedback will be shared with the Executive, Curriculum Teams, and the Director of Higher Education, Quality Office, Student Services and form the core of the HE Student Action Plan.

5.1.2. A campus 'HE Student Academic Representative Meeting' will also convene, where possible, once every academic year and will be led by the HE Curriculum, Standards & Quality Team. This will give the opportunity to gain cross-campus views and enable an opportunity for the HE student body to convene and give constructive feedback.

5.1.3. The HE Office will maintain a record of the HE Student Academic Representative Meetings and duly pass this information to the Clerk to the Corporation. This Policy extends an open invitation to each Governor, individually and collectively, who may wish to attend an 'HE Student Academic Representative Meeting'.

5.1.4. Feedback from the meetings will be shared via Academic Representatives and the college VLE (Microsoft Teams). Each student from the relevant school will receive a 'You Said, We Did' email to their student email account which will provide an abbreviated version of the key points from the meeting and the respective actions.

5.1.5. A report and HE Student Action Plan are produced twice a year to monitor progress against identified areas. This will be published and made available to HE Student Academic Representatives.

#### 5.1.6. **HE Student Representative Roles**

5.1.6.1. Each programme of study or discrete group of students will nominate from their number of current students, a person or persons to act as their 'Academic Representative', at Departmental meetings, 'HE Student Academic Representative Meetings', and the HE Programme Review Meetings. These roles are voluntary and unpaid.

5.1.6.2. The guiding principle of our HE Student Academic Representative is the overriding duty to understand and represent the views of peers, without fear or favour, when called upon to do so.

5.1.6.3. HE Student Ambassadors are employed by the College to encourage student involvement in academic and social activities and provide a clear line of communication between students and the College. Student Ambassadors are paid in accordance to the job description (see appendix 1).

5.1.6.4. HE Subject Area Ambassadors will be employed to attend a monthly meeting and to form part of our SGS HE Student Lead Committee. On an annual basis, Subject Area Leads will nominate suitable Level 5 and Level 6 students to undertake these roles, with an aim to employ one from each subject area. The HE Subject Area Ambassadors are paid in accordance to the job description (see appendix 1).

#### **Supporting Students to Represent Themselves**

5.1.6.5. Some students will need support to represent themselves and their peers in the processes outlined above. This support could range from administrative support to training in the listening skills needed in gathering accurate representation. Students can email The Head of HE Recruitment and Student Experience, who will arrange extra support on an individual basis.

- 5.1.6.6 Training for HE Student Academic Representatives, HE Subject Area Ambassadors and HE Ambassadors will be provided by the HE Team within the first 6 weeks of term. All HE Students Representatives can request further training.

#### 5.1.7. Support for Students at Meetings

- 5.1.7.1. The College supports students to participate fully in meetings. This includes providing enablers for those who have a difficulty participating in meetings due to a disability. Students will be at no academic disadvantage should they wish to be an HE Academic Representative and are selected to attend meetings. If a meeting is during lunchtime the College will provide light refreshments.

#### 5.1.8. College-Led Involvement

##### 5.1.8.1. Programme Review and Evaluation

- 5.1.8.2. Students are involved in the evaluation of their programme through Programme Reviews. This process feeds into the College's HE Annual Review and the HE Improvement Process via the Programme Enhancement Reviews, feedback on External Examiner reports and annual completion of a HE Annual Report and Improvement Plan (covering each Higher Education programme delivered by SGS). HE Student Representatives are invited to the first part of each Programme Review and there is a standing agenda item at the beginning of the meeting to capture their input.

- 5.1.8.3. The [Teaching, Learning, Assessment & Feedback Policy](#) encourages and facilitates the collection, evaluation and review of student feedback to inform and improve the lesson planning process in a manner appropriate to the students and the learning in question.

#### 5.1.9. Social Engagement

- 5.1.9.1. The College maintains an active social media network which is monitored daily and a monthly 'Perception Report' is published by the College, based on all student interaction on social media. This is also reviewed by the Director of Higher Education who ensures that the College follows up every individual complaint and compliment.

- 5.1.9.2. The College uses Ecampus and surveys to gather specific student feedback; any information relating specifically to HE provision is reported on separately to the Director of Higher Education.

- 5.1.9.3. The College will continue to work towards improving the HE social space and building a community ethos within HE to encourage and support feedback.

#### 5.1.10. Student Survey

- 5.1.10.1. College-wide student surveys are distributed annually to students. The Start of Year Survey is distributed to all HE students and the End of Year Survey is sent to all students completing year one and year two of their HE studies). The results are disseminated to students via Programme Reviews, HE Student Voice, Student Parliament and the DLE, and inform the quality processes.

- 5.1.10.2. The College also facilitates HE students' participation in the NSS (National Student Survey). Results of this survey are shared on the College VLE and at Programme Reviews to bring about improvements.
- 5.1.10.3. The College will incorporate the core questions from the NSS within in house student surveys and benchmark results accordingly. Benchmarking will enable the College to better develop the impact measures that are used to inform our Key Performance Indicators.
- 5.1.10.4 We encourage students to share their ideas on how we can improve and they can receive instant feedback via HE Teams (HE and Uni Centre channel) and a feedback button on Ecampus.

**Additional and Supplementary Provisions:**

- 5.1.10.5. Short, Very Short and Professional programmes will be surveyed a minimum of once per academic year.
- 5.1.10.6. SGS College offers a flexible and dynamic curriculum within a vibrant learning community and as such nothing in this document is intended to frustrate the involvement of students or prevent their engagement. In furtherance of this plan the Director of Higher Education can request an ad hoc survey.
- 5.1.10.7. The College licences proprietary software capable of meeting institutional requirements referencing surveys.

**5.1.11. Review of the Student Involvement Plan and Access and Participation Plan**

- 5.1.11.1. At each stage of the academic year and following each opportunity for College-led student involvement, the College will endeavour to ensure that actions taken in response to Student Academic Representative Feedback will be communicated to all HE students. This may be done centrally or locally but in every case this communication will form part of the Student Voice campaign.
- 5.1.11.2. At the final HE Student Academic Representative Meeting of each academic year, Representatives will be asked to review the Students as Partners Policy as well as the College's approved OfS Access and Participation Plan (APP) and feed this review directly into the HE Improvement Plan. The HE Subject Area Ambassadors will also be consulted.

In the preparation, operation of or amendment to the Students as Partners Policy, the College will also consider its impact on any other College procedures, the Instrument and Articles of Government. If these require changes, the Clerk to the Corporation will be notified for consideration by the College Corporation.

- 5.1.11.3 HE Subject Area Ambassadors and HE Academic Representatives will be invited to help monitor aspects of the progress the College makes against its commitments set out in its OfS Access and Participation Plan. Ambassadors will be invited to a section of the termly Access and Participation Group meeting.

### **5.1.12. Measuring and Reporting on the Impact**

- 5.1.12.1. The evaluation of the impact and effectiveness of the Students as Partners Policy will form an integral part of our Annual Review process. This will include outcome measures and process measures. All programmes will use internal College survey results and NSS survey results to assist in programme evaluation.
- 5.1.12.2. The College will measure outcomes and the wider impact of the feedback and actions arising from HE Student Representative involvement. This will be reviewed in the Higher Education Business Planning Group Meetings as a standing agenda item. Progress and themes will be reported to the Governors in an annual report.
- 5.1.12.3. The College will rigorously assess the process surrounding Student Representative Involvement. We will assess if Student Representatives are successfully and consistently participating, if inclusion of diverse groups, reporting back to students themselves and their satisfaction with the processes in place and of being involved.

## **6. Responsibilities**

6.1. This Policy makes the Corporation's desire to respond to the Student Voice incumbent upon each member of corporate and curriculum staff.

- 6.1.1. The Director of Higher Education, working with the Head of Quality, Learning Support, the Quality Office, and College Management (departmental) will be responsible for delivering this Policy;
- 6.1.2. The HE Student Experience Team are responsible for ensuring that Student Representatives are in place and that the schedule of activities are delivered as required;
- 6.1.3. The HE Student Experience Team will produce and publish an annual calendar of events and will liaise with Subject Area Leads, Assistant Principals, the Director of Higher Education and the Head of Student Recruitment and Experience to secure the delivery of this plan;
- 6.1.4. The Quality Team will produce, as required by the Compliments and Complaints Policy, a summary report of all complaints on a termly basis for review by the Senior Management Team and the College Corporation.
- 6.1.5. Feedback on Student Involvement will be produced against three Impact Measures.

### **6.2. Impact Measures**

- 6.2.1. First: The 'Student Voice' feedback will be produced to measure the positive impact of the student's role as co-producers of their own educational experience and outcomes. HE students will be full participants in the management and development of HE education at SGS.
- 6.2.2. Second: We will endeavour to ensure full and effective HE student participation with educational and programme enhancement through this plan.
- 6.2.3. Third: We will measure the effect of Student Involvement on our Strategic Priorities and Key Performance Indicators.
