1. Policy Intent

- 1.1. South Gloucestershire & Stroud College (SGS) recognises the importance of widening participation and access for all our students.
- 1.2. This policy establishes a framework for maintaining the availability and accessibility of comprehensive guidance and information regarding fees for courses and bursaries/scholarships available. This policy has been written in accordance with Office for Students regulations.
- 1.3. SGS recognises that the bursaries and scholarships available for current students have an important role to play in removing some of the barriers students can face in accessing and completing their Higher Education courses and enable them to reach their potential. Bursaries are intended to enable students to have access to funds to support, when appropriate, their living expenses, travel costs and to fund, in whole or part, the cost of essential learning equipment or fees. Bursaries are not intended to provide financial benefit or advantage.
- 1.4. SGS endeavours to utilise funds to make the maximum impact on participation, attendance, continuation and outcomes, for current and prospective students.

2. Statement

- 2.1. The fees in this policy cover Higher Education students who enrol on their first or a new degree level course with SGS between September 2022 and September 2023.

- 2.4. Fee concessions and fee remission will be agreed and published annually. These will be set in accordance with OfS guidelines and in line with specific College requirements.

- 2.5. The College will endeavour to provide prospective students with all relevant information to help inform their decisions. In addition to preserving students' statutory rights, this policy ensures that all students are treated fairly and equipped to resolve problems if things go wrong (for example via the College's Complaints Policy).
- 2.6. The Higher Education Fee and Bursary Policy will be reviewed annually and any changes recommended will be referred for approval to the Corporation.
- 2.7. To be eligible for a bursary or scholarship, students must be enrolled onto a regulated full-time or part-time Higher Education degree level course (part-time course pathways pro-rotta bursary rates apply).
