What is ELEV8?

ELEV8 is the progression support service provided by South Gloucestershire and Stroud College (SGS). We work with adult learners to help them achieve their next steps, whether that's:

- Progressing into employment
- Moving into further courses
- Taking part in voluntary placements
- Building skills and confidence

How ELEV8 Can Help You

We offer practical, friendly support in areas including:

- CV writing & interview preparation
- Job searching & applications
- Exploring further courses & career pathways
- Building employability skills & confidence
- Accessing voluntary and work placement opportunities

💡 Support is tailored to your goals, experience, and needs

How ELEV8 Works

ELEV8 supports learners from a wide range of backgrounds and abilities. You can get involved through:

- Referral providers
- Tutors or support staff
- Self-referral via our website

Our approach is person-centred, flexible, and tailored to you.
